

The excluded medications shown below are not covered on the National Preferred *Flex* Formulary prescription drug list (PDL). If you're currently using one of the excluded medications, please ask your physician to consider writing you a new prescription for one of the following preferred alternatives. Additional covered alternatives may be available. Costs for covered alternatives may vary. Log on to [express-scripts.com](https://www.express-scripts.com)/**covered** to compare medication prices. Not all the medications listed are covered by all prescription plans; check your benefit materials for the specific medications covered and the copays for your plan. For specific questions about your coverage, please call the number on your prescription ID card. If there is a clinical reason, identified by your physician, that requires you to continue taking your current medication, your physician can request a coverage review by visiting the Express Scripts online portal at esrx.com/PA.
