Maintenance blister packs (28-days) are available in the following strengths: 250 mg/day (28 x 100-mg tablets and 28 x 150-mg tablets) and 350 mg/day (28 x 150-mg tablets and 28 x 200-mg tablets).

POLICY STATEMENT

This Drug Quantity Management program has been developed to promote dose consolidation, to prevent stockpiling and waste, and to address potential order entry error of Xcopri. If the Drug Quantity Management rule is not met for the requested medication at the point of service, coverage will be determined by the Criteria below. All approvals are provided for 1 year in duration.

Automation: None.
